SUBJECT : Annual Report for the President's Foreign Intelligence

ACTION

MEMORANDUM

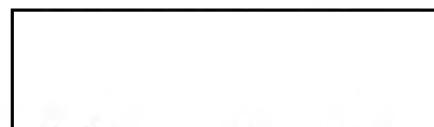

25X1

1. Attached is an outline which the President's Foreign Intelligence Advisory Board has asked CIA to follow in preparing its annual report covering the fiscal year ending 30 June 1964. Opposite each part of the outline I have entered the initials of the Agency component(s) responsible. Where two or more components are shown, they should coordinate informally to avoid duplication. The outline is not intended to be rigid; items not covered in the outline (for example, work of the IG and CGC) should be submitted if they would be of interest to the Board.

2. Note that the first paragraph in the outline asks us to cite the NSCID, DCID, or other applicable authority. Such citation may be expanded with discussion in cases where CIA's role or authority should be spelled out for the Board, or where the Board might help strengthen CIA in carrying out its responsibilities.

3. Please submit drafts in duplicate, double-spaced, by 1 September 1964. This deadline extends by three weeks the time originally allowed. If there are questions, please call me on Extension
